

REMA - Membership application procedure

1. REMA members are Early Music actors based in Europe, offering high-quality programmes with a significant focus on Early Music. Membership is not open to musicians or agents.
2. The REMA annual subscription charge is currently set at €500 per calendar year. This amount must be paid before 31st July. If paid between 31st July and 31st December, the subscription charge rises to €550. After 31st December, the amount due is €600.
3. Membership applications can be sent by e-mail to Ms. Marie Koefoed-Gouy, REMA Executive Director, at any point throughout the year. Requests are assessed by the REMA Office then presented for verification to the Board of Directors, which meets three or four times per year. The Board of Directors is responsible for accepting new members.
4. Candidates will need to find at least one member organisation to sponsor their application.
5. All membership applications must include the following three elements:
 - a. An official membership application letter, stating the reasons for the application and the name(s) of the sponsor(s).
 - b. The completed Catalogue of Competencies (see Word doc)
 - c. The organisation's programme of events for the last three seasons.
6. Candidates must be able to demonstrate that they have existed for at least three years, and that their programme of events includes a strong creative element. They must have a sufficient level of funding to be highly active and attend as many REMA meetings as possible. In particular, the organisation must have sufficient resources to pay for its representatives' travel costs.
7. Candidates who produce their own work at their own festivals must demonstrate that no more than 30% of their concerts are self-produced.
8. Once elected by the Board of Directors, new members will receive a membership confirmation letter. If the application is unsuccessful, candidates will receive an explanation of the reasons for their rejection. Unsuccessful candidates will be able to re-apply at a future date.
